**ORDER**

It is observed that while placing a proposal for condemnation of any item or vehicle from different ends of this Department, the matter is being placed before the higher authorities for approval without current photographic evidence of such item or vehicle, making it difficult to take appropriate decision.

After careful consideration of the matter, it has been decided that henceforth any proposal for condemnation of any item or vehicle from any end should be supported by photographic evidence.

This order is issued with the approval of the Secretary of this Department and will come into effect immediately.
